Dear MSP Board Member,

Somerset County Council has produced a 'State of the County' Community Profile for 2003, which makes very interesting reading and is likely to be of use to the MSP, particularly the task groups as some data is disaggregated to district level.

Only a very limited number of hard copies have been produced due to high copying costs. The document will soon be available on CD ROM and I will try to get some copies, but in the meantime you can access it in pdf from the County's website by following the link below.

Best wishes

Sara
